Pietra Fonte 72 x 34 in footprint, 1:1

40 pages after this one. Print at "Actual size" or 100% scale, never "Fit to page".

1. Measure the square below: it must be exactly 1 inch. If not, change the print scale and reprint.
2. Trim every page on its thin frame line. Lay the pages out by the letter and number in each corner (row A at the bottom, column 1 at the left), butt the edges together and tape the back.
3. Put it on the floor where the tub will go. Leave 4-6 in to any wall and about 21 in clear in front.

This is the typical outline of an oval freestanding tub. Your quote includes the exact drawing.

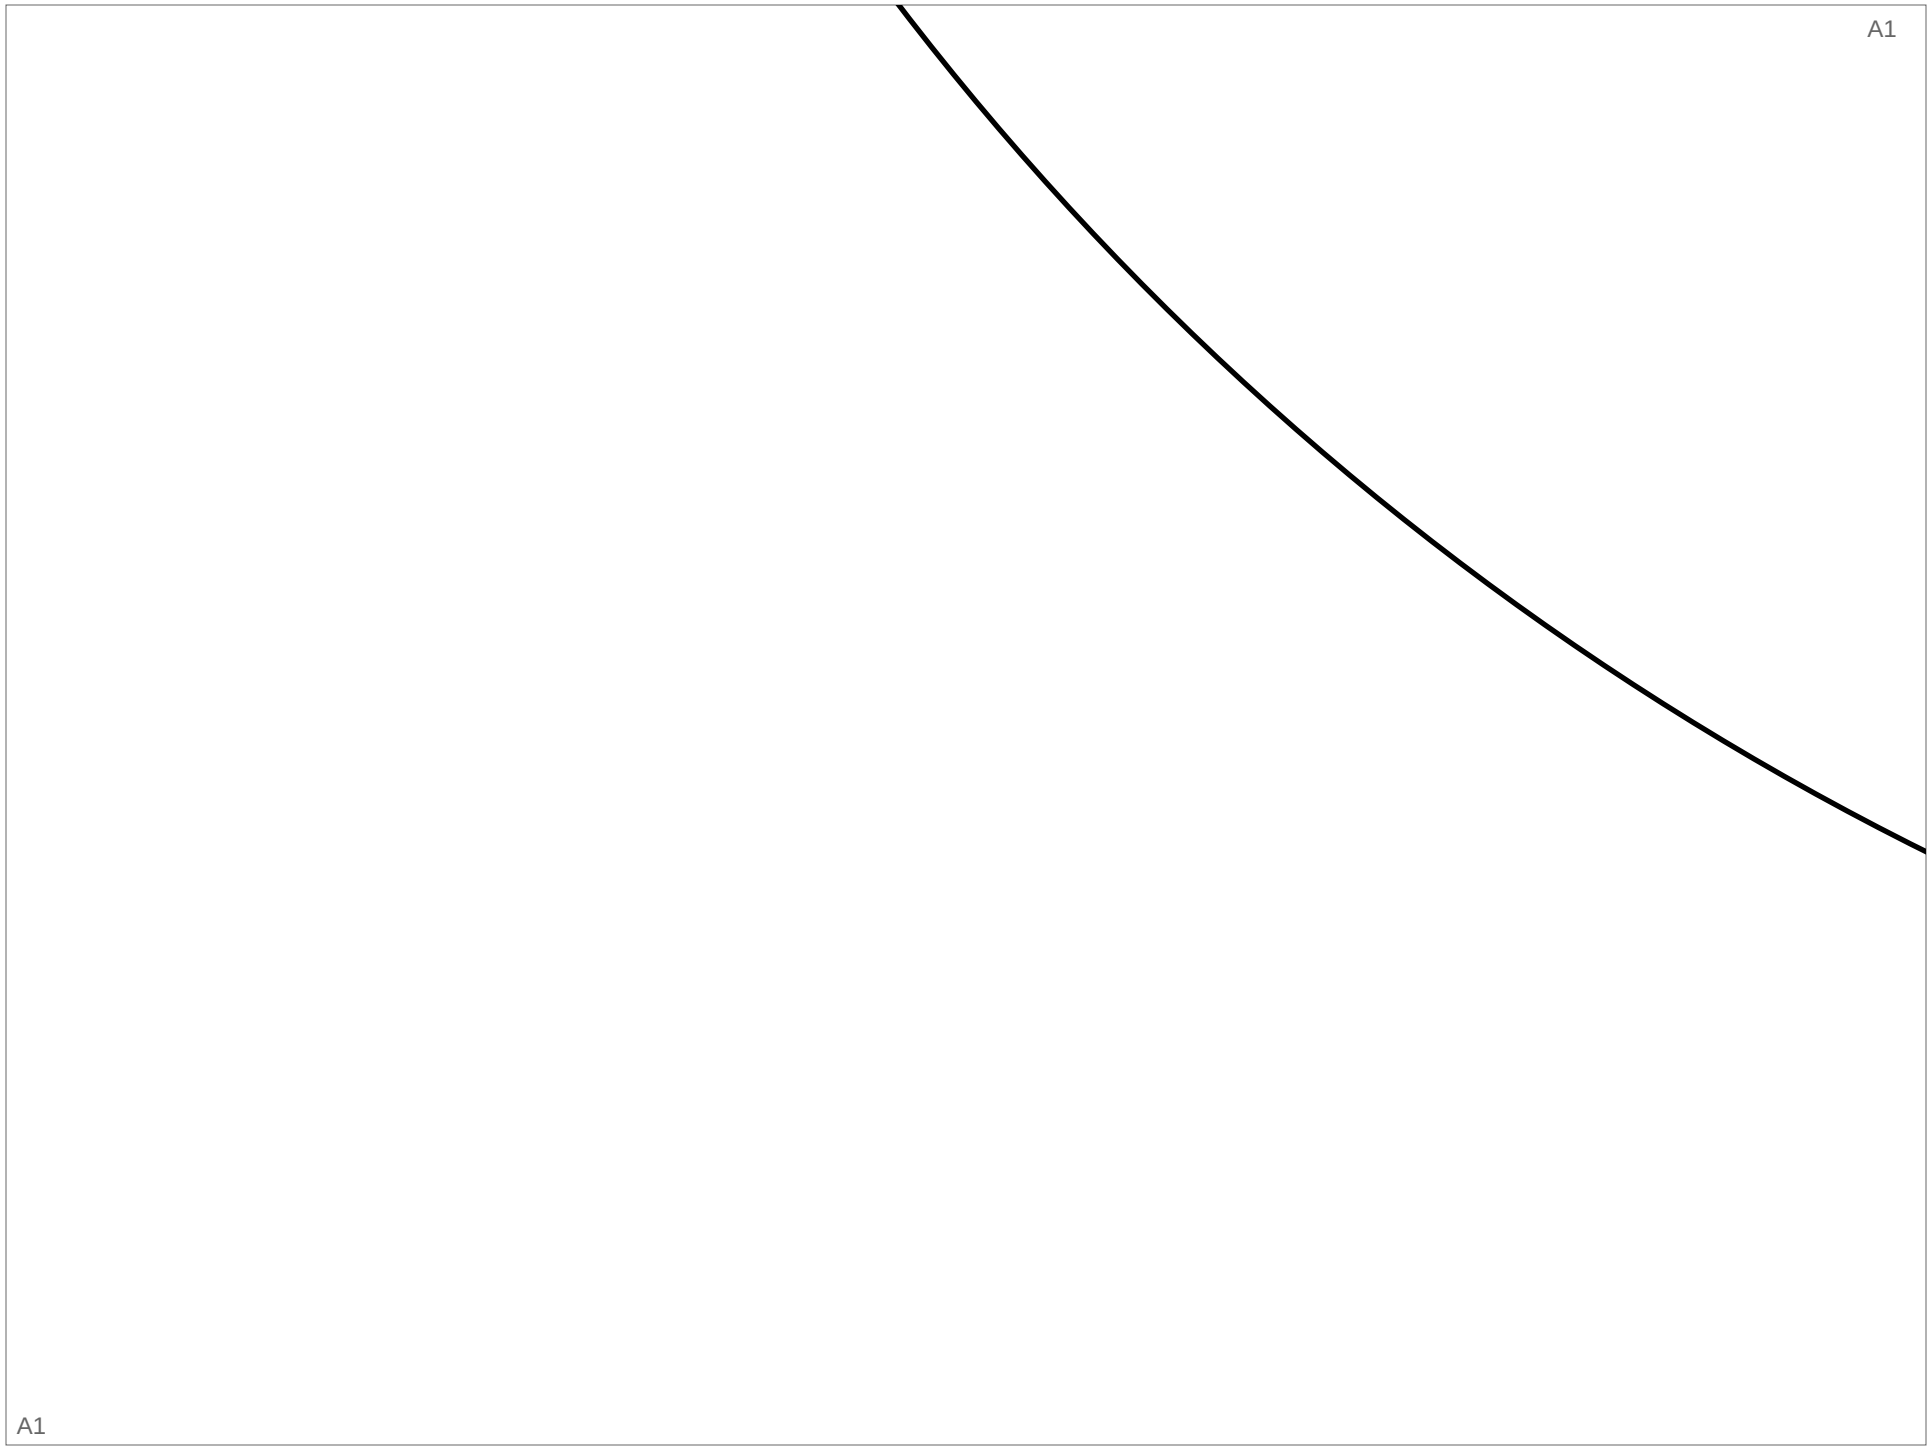

No printer? Ask a print shop for the one-sheet version on a 36 in plotter roll, or tape the outline on the floor.

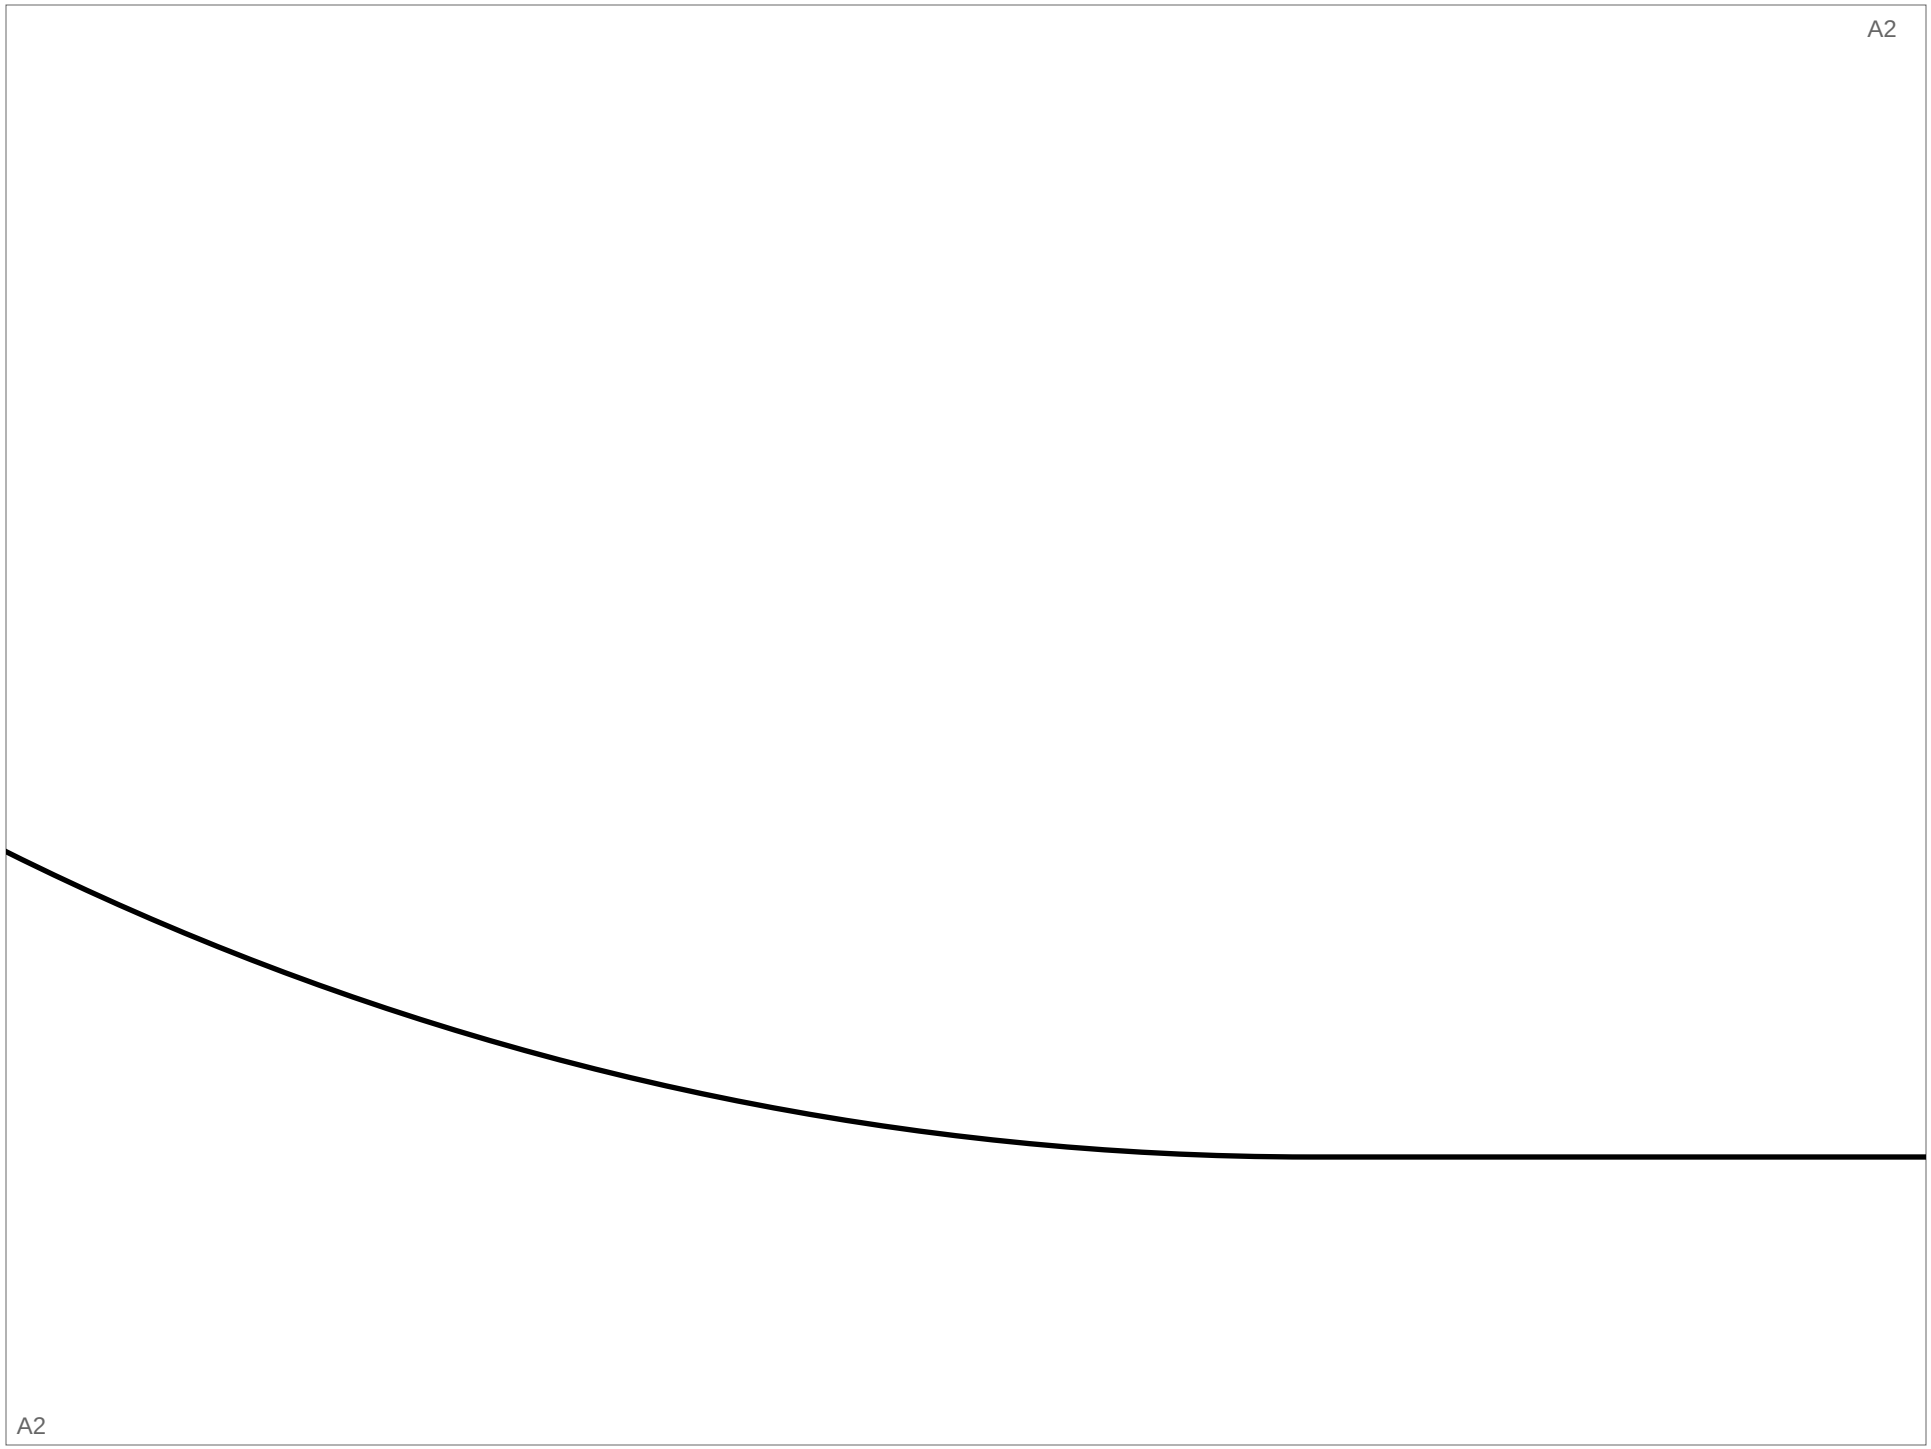

1 inch
